TASTING NOTE

Olfactory

Notes of blueberries and wild blackberries, ripe sensations with a balsamic background. A final reminder of kola nut, liquorice and laurel provides primary complexity. The perfume of violet is exciting and unfolds elegantly.

Taste

Vibrant and sincere, all aromas are perfectly reflected in its taste, where the blackberries and liquorice are the standouts. The note of violet, accompanied by a hint of candied blueberries, is particularly noticeable retro-nasally. The finish is long and fresh due to its good acidity.
